

Company Bio:

Neogen Canada is a wholly owned subsidiary of Neogen Corporation (NASDAQ: NEOG) as part of the Genomics Division. Neogen Canada is one of seven genomics laboratories worldwide and is located in Edmonton. Neogen Canada services numerous Canadian industries and research communities by providing biobanking, genotyping, sequencing, and DNA extraction services. Our work supports the sustainability, competitiveness, and profitability of the industries we serve.

Mission: Every day, we protect the people and animals we care about.

Job Title: Laboratory Technician I – DNA

Job Description: : In partnership with BioAlberta’s WIL program, Neogen Canada is looking to hire a full-time summer student in the role of Laboratory Technician I-DNA from May to August 2023. The ideal candidate will be working towards a degree or diploma in the Life Sciences. Preference will be given to those with an interest in molecular biology.

Responsibilities Include:

- Prepare biological samples for DNA extraction.
- Conduct DNA extraction on biological samples.
- Perform quality control processes on extracted DNA.
- Maintain accurate and up-to-date records of work performed.
- Practice good communication and collaboration with colleagues.
- Perform laboratory cleaning duties.
- Other duties as assigned.

Skills & Qualifications:

- Currently working towards a degree or diploma program in the Life Science.
- Completion of BIOL 107 or equivalent considered an asset.
- Preference will be given to those familiar with molecular biology.
- Detail oriented and task focused mentality.
- Proficient with Microsoft Office.
- Able to communicate efficiently and effectively through written and verbal means.

WIL Program Requirements

- Be an Alberta resident attending an Alberta post-secondary institution
- Be under 30 years of age at the start of the program
- Be a Canadian citizen, Permanent Resident, or Refugee eligible to work in Alberta

Closing Date: Resumes and cover letters must be received by March 31, 2023 to: Michelle Miller at MMiller@neogen.com.

We thank all applicants, however, only candidates selected for an interview will be contacted.
