

On March 7, 2023, BioAlberta will hold its Annual Policy Forum, followed by a networking dinner where registrants can network and continue discussions in a casual setting. Our themes include:

- **A Life Sciences Strategy for Alberta**
- **The Future of Vaccines – Moving beyond mandates and the politicization of public health.**
- **Improving Regulatory Processes for Health Tech and Medical Device SMEs.**
- **Developing a Bioenergy Strategy for Alberta.**

Details and ticket information to the Policy Forum will be released in early January. However, by becoming a sponsor of our event, you can reserve your spot and be recognized as a leader in Alberta’s bioeconomy.
