

2023 BIOALBERTA ACHIEVEMENT AWARDS

Technology Innovation Award Nomination Form

TECHNOLOGY INNOVATION OF THE YEAR AWARD

SUBMISSION DEADLINE: AUGUST 15, 2023

This Award is presented to an individual or a team who is responsible for a breakthrough innovation with commercial application. This award is open to major innovations that have reached varying levels of development.

Who is eligible?

Award nominees must be residents of Alberta, or have their primary base of operations in Alberta.

Who can submit a nomination?

Individuals, companies, associations, commercialization organizations, and government agencies may submit nominations.

Selection Criteria:

- Has innovation that has made a scientific impact
- Innovation has potential for commercial success
- Has inspired a new way of thinking and perspective for their section

Nomination Procedure:

Please complete the official Nomination Form (one form per nominee) and also include:

- Statement of Nomination (max. 750 words) which outlines how the nominee meets the award criteria.
 - The BioAlberta Awards Committee will pay special attention to the following elements of each nomination statement:
 - The nominee's leadership role in the scientific achievement,
 - The significance of the scientific achievement and its commercial potential, and
 - The role of this scientific achievement in inspiring new innovation in the original or other fields.
- Supporting documentation:
 - Curriculum vitae, details of education, mentorship roles and major achievements (impact of these achievements on the life sciences industry)

Nominations and supporting documents must be sent electronically to **christy@bioalberta.com**

Addressed to:

Chair, BioAlberta Achievement Awards Selection Committee
202, 10055 – 106 Street NW
Edmonton, AB T5J 2Y2
