 PARLEE McLAWS^{LLP}

Free IP Strategy Consultation for BioAlberta Members

Parlee McLaws is offering a free IP Strategy Consultation for BioAlberta members. These IP Strategy Consultations are designed to support business owners, innovators, and entrepreneurs in developing a clear and practical approach to their intellectual property.

Consultations are available for general IP matters, as well as focused sessions on patents, trademarks, or a combined patent and trademark strategy. These sessions provide tailored guidance to help you better understand your IP position, identify opportunities for protection, align your strategy with your business goals. They will provide you with an IP strategy cheat sheet to help you answer questions from investors and funders.

To learn more or book a consultation, please visit:

<https://www.parlee.com/expertise/intellectual-property>

When filling in the booking form, be sure to indicate you are a BioAlberta member!
